

# Moorside School Breakfast Club

Dear Parent

March 2017

## Breakfast Club (SUMMER Term)

If you are interested in using this facility for the first time or indeed wish to continue using it, would you please make a commitment for the first half of the SummerTerm 2017. The weekly pattern of attendance should be consistent. The cost is £2.00 per session for supervision, payable in advance per half term (cheques payable to "LCC") and up to 50p per day for breakfast. Please note the calendar of school openings up to half term overleaf (Tuesday 18 April – Friday 26 May, 28 school days). Breakfast will be provided by the School's Meals Service and will be "a la carte". Children will need to bring an appropriate amount of money each day for their meal. Examples of prices are printed overleaf. Use of this service is entirely optional although children should not bring their own breakfast and breakfast cannot be served after 8.30 a.m.

Please note that attendance at the breakfast club is subject to payment in advance (which will be non-returnable, even if your child fails to attend) and good behaviour on the part of the child. Unfortunately we are not able to accept "additional" children on an "ad hoc" basis. However, we may be able to offer this facility to parents who cannot make a prior commitment as long as we are given reasonable notice and the club is not over-subscribed.

For administration purposes, please complete the pro-forma below (one form per child) indicating the mornings you would like your child to attend and whether you would like breakfast facilities, Please then sign it, accepting the above conditions and return it to school with the appropriate fee before the end of this half-term. **We do not issue receipts but if they are needed for tax credit purposes, please request them at the end of every half-term and keep copies for your records.**

Yours faithfully
