

Year 4 Learning Ideas for Home

Maths:

- Design and make a maths game to practise the skills we have covered this year
- Times Table Rock Stars <https://play.ttrockstars.com/auth/school/student/35075> – you have your log in for this already!
- Top marks maths <https://www.topmarks.co.uk/>
- Maths frame <https://mathsframe.co.uk/>
- Practise times tables / number facts
- Maths challenges <https://nrich.maths.org/>
- Practise telling the time

English:

- Pobble – Use any of the images as inspiration to write creatively. This could be a story, play, letter, character / setting description, diary, news report or even an information text. <http://www.pobble365.com/>
- Write an ‘unbelievable’ diary – Use your imagination to come up with extraordinary events to write a fictional adventure
- Continue reading for at least 20 minutes a day. Use the ‘Domain question prompts’ to discuss and analyse the text
- Use the year 3/4 spelling list to learn and practise spellings. The list is available at https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/239784/English_Appendix_1_-_Spelling.pdf

Topic:

- Create the presentation we have discussed in class independently – What have the Romans done for us?
- Learn the songs for ‘Rocking Romans’ <https://www.bbc.co.uk/teach/school-radio/music-drama-dance-history-ks2-rocking-romans-musical-play-index/zm84cqt>

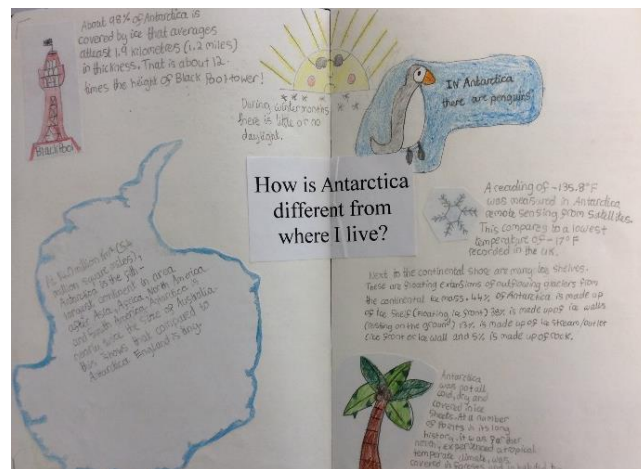

Other activities:

- Write a letter to a relative or neighbour
- Write a poem or a song
- Do a project/ presentation on a subject of your choice

(Con’t over)

Learning log

- To make your learning log, choose from a series of questions, which are already set, and present your research in any creative manner that you wish. Do at least 2 a week, particularly if the school remains closed.
- This is your chance to show off what you know in the most interesting and creative ways that you can. The most exciting learning logs will be colourful, include mind maps, flaps to open, pictures, photographs, drawings, collage, written explanations, etc. Use books, the internet and interviews to conduct your research, **but most of all have fun!**
- Please do your very best to present a learning log that you are proud of and that others will enjoy reading.

Learning Log Questions

- What was Roman society like?
- What technology did the Romans have?
- How has Latin influenced modern English language?
- What would life have been like for Roman slaves?
- What was Roman transportation like?
- What role do charities have in our society?
- How do flowers reproduce?
- How is maths used in your favourite sport or pastime?
