Dear parents and carers

## See Saw and Home Learning

It has been great to see children responding to the home learning tasks. Response from parents and children has been very positive. The focus of the work is about consolidating skills taught earlier in the year, as well providing tasks which can easily done at home. Many thanks to the teachers for getting this set up and working.

Although many children are accessing the site, some are still to access it. If you have not done so already – have a go, we are here to help. Over the coming days, we will refine how we are using it still further and sort out the final few people who still have problems with codes. We think we have responded to everyone who has been in touch.

Whilst we want the children to continue to access learning, what I would say is most important is that everyone comes through this safely and in good shape physically and mentally. We understand that different families will be accessing the learning to differing degrees and that you have your own jobs to do. Just have a go and do your best – you are not expected to be teachers! **If you cannot access See Saw, but want your child to access the home learning we are providing, please contact the school and we can organise weekly packs for you.**

## Key Workers and Vulnerable Pupils

If your child currently qualifies to attend school, please keep us informed of their expected attendance pattern for the week ahead, so that we can ensure we have enough staff on site.

## Reminder

If your family have an issue where we may be able to offer support or sign post you to the appropriate people who can, we have a designated email [wellbeing@moorside-pri.lancs.sch.uk](mailto:wellbeing@moorside-pri.lancs.sch.uk) and a phone number which is checked each day 07765046132.

## New Reception Starters

Over the next few weeks, it might become a little clearer as to when children can start to attend school again. In the meantime, we are looking at ways we can host some kind of induction event for new families. To support families with questions about the Reception intake for September 2020 we have set up a dedicated e-mail address for you, should you

have any specific queries, this is [newreception2020@moorside-pri.lancs.sch.uk](mailto:newreception2020@moorside-pri.lancs.sch.uk). Also, don't forget to 'like' our school Facebook page. This is a useful source of information that is updated daily.

We will aim to keep you informed every step of the way during this very exciting build up to your little one attending school and we are really looking forward to meeting you as soon as possible. If you know a family who are joining us in September, then please pass this message on.

Take care and stay safe

Yours sincerely
