

Welcome to the Moorside Fairtrade Newsletter! In it, you will find:

- Information about the Fairtrade uniform
- Fairtrade snacks
- A Fairtrade shopping list
- And more!!

We at Moorside know about and love Fairtrade, but many people do not know much about it. Fairtrade is an organisation that helps farmers and workers to be paid enough money to live comfortably. So, after reading this, I hope that you will be motivated to tell others. Please spread the word and continue to help Fairtrade.

From Jemima yr 6.

With thanks to Year 5 for providing us with some posters.

Fairtrade uniform is easier to get from where we are now due to COVID-19, so we can order it without moving out of the comfort of our own home.

I think fairtrade uniform is better than others because not only is it good quality but it will help you save money.

I think fairtrade uniform is worth more than other uniforms because, cotton farmers will get a more decent wage from how hard they've been working.

How to buy Fairtrade uniform.
Go to Moorside homepage and click on Parent. Then go to Uniform and it will give information there.
Please take extra care when looking at the measurements as different companies use different sizing.

By Martha in Y4

Hannah has worked hard to find some examples of Fairtrade products to buy. Here are some examples:

Asda:

- Organic bananas – 20p each
- Extra special FT Columbian ground coffee - £4.79

- FT brazil nuts - £3
- FT South African wine - £7.50
- FT sugars - £1.50 - £3.
- Selection of FT teas and coffees – 70p - £7

Lidl:

- FT milk hazelnut chocolate 69p, G

Fairtrade premium

Fairtrade does not just pay workers a decent wage, it also provides a premium (a donation) to communities to buy what they feel is necessary. Communities will meet as a group and make their own decisions on how best to spend the money. Some places have built a well, others a health centre or the wages of a health worker. The film, Guardians of the Rainforest on shools.fairtrade.org.uk website shows an example of a community deciding how to spend their Fairtrade premium.

We are still struggling to get Fairtrade snacks for KS2 playtimes. We will keep trying!!

If you would like to know more about Fairtrade uniforms, then Iris has written an article about it. Read below.....

Dear Parents and Carers

I am writing to you to inform you about Fairtrade uniform. We already have the leavers hoodies which yr6 parents have graciously payed for, but have you ever thought about Fairtrade uniform?

Reason One

It is made by people who are fairly paid and don't have to wait months before they can have their illness treated by not so good doctor that they have had to spend a lot of their savings on. Also, the farmers who go into the fair-trade business will be treated well. Many places have a horrible system where the farmers who do the most work get the least amount of money and the shopkeeper who does not that much hard work and labour gets the most amount of money. However, those who use fair trade know that the farmer at the start of the process is getting the right amount that they rightfully earnt.

Reason Two

In this dreadful time, it is extremely convenient to order online as we are all trying to limit our trips to the shops as we need to social distance. So fair trade uniform is easily ordered online so you and your family don't have to risk getting coronavirus!

Reason Three

Fair trade is environmentally friendly! Some of it is made from recycled bottles so if you want this world to be a good place when your child is your age then this uniform is for you.

CONCLUSION

For the future of us kids, and to help the worker who make your child's school uniform, please use fair trade as it is just like normal uniform, but it helps terrible issues in our world.

keeps same bright colour washes well

Fairtrade

Reason 1 why fairtrade is good
 Fairtrade jumpers cost slightly more than the regular ones but it is all very good value. For example buying a jumper in a shop that is not fairtrade could be more for a while but will eventually break. This means that it is better to buy fairtrade than to keep buying jumpers when they break.

Ever wanted a cosy, new school jumper that keeps its bright colour? Well then, if you said yes go and have a look at these high quality jumpers in the shop. They are made of the finest materials.

Reason 3 why fairtrade is good
 By buying fairtrade, you are not just helping yourself, but other people too. For example, people work their bones every day and will not get a fair wage if you don't buy fairtrade. People are struggling to live without a fair wage but with one, they will be alright. The farmers & farms in India and Mauritius are very worried about the future of fairtrade and lots of workers could be left without things they need to live with without good money, they can't buy everyday items.

LONG LASTING

Reason 2 why fairtrade is good
 Another reason to buy fairtrade jumpers is because they are good quality, soft and comfortable to wear. You can buy fairtrade online and it saves lots of time instead of going to the shops and wasting your valuable money on some cheap, low quality jumpers.

Helps workers (fair wage)
Reason 4 why fairtrade is good
 By buying fairtrade, it washes extremely well and comes out with the same lovely, bright colour and same soft shape. Fairtrade also uses better materials and are much better to buy as they are proven. Don't just buy fairtrade jumpers, buy anything fairtrade you can.

Fairtrade Uniform

Quality
 We guarantee you fine cotton all cared by well respected cotton farmers and also it is hand picked. The farmer also get a fair share of money enough to keep their family running and to send their children to school.

Why wouldn't you want to buy good-quality, reasonably priced school uniform and at the same time help farmers get fair wages? Then why not buy from fairtrade? During this hard time you can easily buy it online and it will come reasonable fast.

Where to buy
 You can probably buy in in most uniform shops and if you shop online you can get it from KoolSkools.Co.UK, Cotton Roots (for other clothes not uniform).

Donate
 Your Donations will help bring fairtrade to those who urgently need at fairer deal

Fairtrade Uniform
 Please buy the fantastic uniforms from fairtrade and insure farmers have sustainable lives

What is fairtrade?

Fairtrade is a foundation. Their mission is to connect disadvantaged farmers and workers with consumers, promote fairer trading conditions and empower farmers and workers to combat poverty, strengthen their position and take more control of their lives.

For further information you can go to fairtrade.org.uk, it tells you what is fairtrade, Fairtrade and Covid-19, Buying fairtrade, News, Home-learning activities and so on.
