## NEWS FROM MOORSIDE SCHOOL

We are now well into the flow of the summer term and school life is feeling more normal.

There are a range of after-school clubs running and a number of educational visits, which normally take place in the second half of the summer term, being scheduled to take place, restrictions permitting. Levels of interest in the York residential for Y5 were high, so we hope to share further information about that shortly.

Unfortunately, we cannot run the French residential because of restrictions abroad. We will write to parents with more information about this soon.

Although life is slowly returning to normal, please can we ask that parents leave the school site quickly so that crowds are not building up. We really need people collecting children from R, Y1, Y3 and Y6 to leave promptly so that Y2, Y4 and Y5 children and parents have space.

May I remind everybody that next week school is **closed on Monday for the Bank Holiday and Thursday** because the school is being used as a polling station.

#### Fundraising

We are very proud of one of our year 3 pupils, Max, who, along with three of his neighbour friends, organised a charity bake sale in aid of The Olive Branch. They raised a whopping £200 and went straight to the shops to buy things The Olive Branch needed. Well done to them.

Continuing on the fundraising theme we managed to raise £493.27 for Comic Relief by having a non-uniform

day. Thank you to everyone who sent in their donations.
