

Space to learn; Room to Grow

Vision: To foster a caring community where all children actively participate in enquiry-led, purpose-driven learning which promotes resilience, resourcefulness and sustainability. Children are challenged and supported to fully explore their individual talents, be the best that they can be, be proud of who they are, and be proud of the area in which they live.

Development Summary 2022-23

Leadership

Long term	This year
To develop high quality leadership at all levels.	-All subject leaders are effective in their role of monitoring, setting out a vision for their subject, monitoring standards, identifying priorities and ensuring this impacts positively on learning.

Curriculum, Teaching, Learning and Assessment

Long term	This year
To ensure that the school curriculum meets the needs of all learners and there is clear progression between lessons and throughout the school.	-To review the curriculum coverage for PE, music and DT, ensuring that there is good quality coverage across the school years. Ensure that sequences of lessons are progressive and that learning is built on as children move through the school.

Progress and Attainment

Long term	This year
To ensure that all groups of pupils can make good progress from their starting point in each subject.	-To increase the number of children who achieve the expected score in the Y1 phonics assessment.

	-To increase the attainment and progress of children who qualify for pupil premium support so that it becomes more consistent.
--	--

Early Years Foundation Stage

Long term	This year
To fully develop an 'enabling environment' which helps to provide children with the best quality start to their school life.	<ul style="list-style-type: none"> -To increase attainment in the specific areas of writing and number. -To improve further the quality of the learning interactions between staff and pupils in continuous provision. -To build high-quality partnerships with parents.

Emotional, Spiritual, Moral, Social and Cultural

Long term	This year
To increase further the range of enrichment opportunities available to pupils.	<ul style="list-style-type: none"> -To involve pupils in projects across the school site which enhance their understanding of the environment and sustainability -To increase the range of clubs on offer to children -To broaden the range of places of worship visited

School Environment

Long term	This year
To fully develop our extensive grounds so that the school can fully capitalise on the opportunities they could provide.	-To install orienteering trails

	-To work with 'Where the Wildings Are' to develop areas to encourage species diversity and allow more children to be involved in cultivation
--	--

Community, Publicity and Partnerships

Long term	This year
To publicise our work and explore new and innovative ways of working with the community, other schools and businesses.	-All year groups to ensure that parents are invited to join at least one in-school event to re-build the relationship made difficult by Covid-19
